

# SUPPORT OPTIONS FOR PEOPLE WITH A DISABILITY

## It's your life.

We'll walk alongside you and the people you trust, to help you get what you need to enjoy it.

## Come and talk to us.

We will support you to make decisions so that you have the right range and level of supports for your life. You can use a mix of our supports across the different areas of your life, or just in some areas.

You will always have choice and control.

**Your Plan:** Your life choices and goals recorded and updated over time.

**Your Living Options:** Accommodation options across your lifespan.

**Your Community:** Meaningful activities and the chance to make new friends.

**Your Say:** Information and advice on your rights and options.
