### **Voiceworks Plus Choir presents the musical workshop 'Getting to Know You'**

The Voiceworks Plus community program was created in 2013 by Vocal Ensemble Voiceworks (VEV), in association with UnitingCare West. Voiceworks Plus is a musical theatre program which fosters the talents of young people with disabilities. The program was designed by VEV Director Maggie Wilde West and is conducted by the professional members of VEV. Voiceworks Plus incorporates the members of VEV and the wider community in performances where suitable and appropriate.

In 2013 Voiceworks Plus staged two very successful performances including 'Christmas In July' which took place at the Warehouse Cafe, 221 Onslow Road Shenton Park, and 'Carols in the Park', held at Lake Jualbup in December. Both performances were very well received and involved members of both Voiceworks Plus and VEV. This year Voiceworks Plus are planning four performances, one in each term throughout the year.

Along with these performances, Voiceworks Plus will be hosting a workshop performance, 'Getting to Know You' on Wednesday 19 March. This is a great opportunity for those who are interested to come along and become involved with Voiceworks Plus.

Attendees will get the chance to meet, greet and be entertained by the Voiceworks Plus performers as they, in their fabulous singing and dancing style, show you how they have reinvented some of musical theatre's all-time favourites. Light refreshments will be served and attendees will be offered the chance to join in. The Voiceworks Plus choir is always looking to include new participants so information and enrolment forms will be available at the event for those interested in joining this fantastic group.

This is a performance that everyone will enjoy so don't miss out on this fabulous opportunity!
