

Community Services

UnitingCare West provides a diverse range of programs and services and works with people and communities so those most in need can belong and thrive. Our programs span the areas of community inclusion, community living and strengthening communities. Our services respond to people most in need and work hard towards creating justice, hope and opportunity for all.

Community Inclusion

Providing a broad suite of person centred supports for people who are at risk of marginalisation. The aim of the directorate is to assist people to live and participate in their community, in a way that they choose, with the supports that they need.

COMMUNITY OPTIONS
